

2,206

residents in affordable housing communities received direct assistance through Springboard To Opportunities' programs and services.

Services operated in...

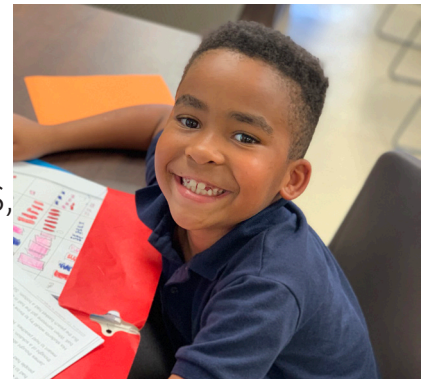

10 affordable housing communities, in **6** different cities, across **3** states.

Education Opportunities

568 children participated in regularly occurring after school or summer programming.

New partnerships, including with the **Boys and Girls Club** of Jackson, MS, provided high-quality, after school programming to more students.

We raised over **\$33,000** to seed and fund Children's Savings Accounts through our 5K Run for Our Community and Giving Tuesday campaign.

177 residents participated in Springboard to Success programming, helping them achieve financial and career-related goals.

We worked with the **Bank On Jackson Coalition** to create an accessible checking account for residents.

STO moms spoke at two national forums with **Ascend at the Aspen Institute** and the **Ounce of Prevention Fund** about policy changes for family-supportive workplaces and innovative economic opportunities.

Building Success

Stronger Communities

22,588 meals were served to STO families facing food insecurity.

104 residents at Windsor Valley in Edgewood, Maryland helped plant, maintain, and harvest their Community Garden, a project that was created by middle school students who participate in LitClub programming.

Over **60** STO residents and other community members came together to help package items donated to children and families affected by the ICE raids that took place in August in Mississippi.

6 new Community Care Closets were established with basic need and personal care supplies in partnership with UnitedHealthcare of Mississippi.
